Canadian U19 Women's Field Lacrosse Squad Selections

Ottawa, Ontario, March 6, 2010 ... The Canadian Lacrosse Association's Women's National Team Program today announced the players who have been selected to continue with the Canadian U19 National Squad.

Following the four-day camp held at ACTS in Orangeville, Ontario (Feb 12-15) and the completion of the selection process, Head Coach Scott Teeter (Buffalo, NY) and his staff Tami Rayner (Oshawa, ON), Kateri Linville (South Bend, IN) and Scott Tucker (Gaffney, SC), now turn their attention to leading the Squad into phase II and a busy competitive summer season.

Final selections will take place this fall, and the 18 member Canadian Team will compete at the FIL U19 World Championship in Hannover, Germany in August 3-13, 2011. The 2011 event will be the first U19 World Championship to be held in Europe. The previous four events have taken place in the US (2), Australia and Canada.

Canada defeated England to win bronze at the recent 2009 Women's World Cup held in Prague, Czech Republic this past June. At the U19 level, Canada finished 4th at the 2007 and 1995 World Championships; was third in 2003 and 1999.

The Federation of International Lacrosse (FIL) was established in August 2008 in a merger of both the men's and women's international lacrosse associations. FIL is responsible for the Men's World Lacrosse Championship (2010), World Indoor Lacrosse Championship (2011), Women's Lacrosse World Cup (2013), and both the Women's (2011) and Men's (2012) Under-19 World Lacrosse Championships. Each event is held every four years.
